**Product Name:**

Cap assembly

**Special Features:**

Cap assembly consists of (1)valox cap, item no.5-060-016, (1)synthetic rubber gasket, item no.5-023-12 (on nsn 5330-01-176-4917) and (1) plastic bag, item no.2-031-006

**Material:**

Plastic polyester and rubber synthetic

**Material Specification:**

Cap is made of valox; gasket in cap is made of synthetic rubber mfr ref single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A539k0
