Center To Center Distance Between Mounting Facilities Parallel To Length:

2.500 inches

Overall Width:

2.875 inches

End Application:

C-12844/u

Handle Height:

1.788 inches

Mounting Method:

Threaded stud

Mounting Facility Diameter:

0.625 inches

Product Name:

Kit, front panel handle

Special Features:

Small handle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A250a0
