Mounting Hole Type:

Plain

Overall Diameter:

3.68 inches

End Application:

235015093953

Product Name:

Bracket mounting

Special Features:

Ram mount consist of a 2.25 inch diameter rubber ball connected at right angles to a 3.68 diameter powder coated marine grade aluminum round base; the base has pre-drilled holes including two holes at 180 degrees and three holes at 120degrees

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
