Width:

3.850 inches

Material Thickness:

0.063 inches

Length:

7.700 inches

Body Length:

1.700 inches

End Application:

C-5 reliability enhancement re-engining program; power plant

Product Name:

Slinger, oil

Special Features:

Nha engine assembly, part number 1458m35g01

Style Designator:

Round, flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23700
