Overall Length:

2.400 inches

Overall Height:

1.600 inches

Overall Width:

2.300 inches

End Application:

C-5 reliability enhancement re-engining program; power plant

Product Name:

Bracket

Special Features:

Nha engine assembly, part number 1458m35g01

Material:

Stainless steel

Material Specification:

Ams5510 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A042a0
