**Overall Length:**

2.400 inches

**Overall Height:**

1.600 inches

**Overall Width:**

2.300 inches

**End Application:**

C-5 reliability enhancement re-engining program; power plant

**Product Name:**

Bracket

**Special Features:**

Nha engine assembly, part number 1458m35g01

**Material:**

Stainless steel

**Material Specification:**

Ams5510 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A042a0
