Width:

1.350 inches

End Application:

C-130lcs

Product Name:

Lower reinforcement plate assembly

Special Features:

Two holes in plate, 0.880 inch over and 2.125 inch center to center x 0.453 inches through holes

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
