Thread Pitch Diameters:

-0.087 to 0.087 inches right internal

Thread Direction:

Right-hand right internal

Thread Length:

0.312 inches right external

Diameter:

0.250 inches

Length:

0.875 inches

End Application:

B-1

Cross-sectional Shape:

Round

Thready Qty Per Inch (tpi):

32 right internal

Thread Size:

0.164 inches right internal

Product Name:

Hinged standoff, male/female

Right Projection Length:

0.312 inches

Special Features:

Use with standoff 1888

Material:

Copper alloy

Precious Material And Location:

Iridite coating gold

Surface Treatment:

Zinc and gold

Style Designator:

Hinged, threaded

Thread Series Designator:

Un right internal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A08900
