Diameter:

Between 0.360 inches and 0.390 inches

Length:

Between 0.735 inches and 0.765 inches

End Application:

Buffalo

Cross-sectional Shape:

Round

Product Name:

Standoff

Special Features:

Used with number 8 screw size

Material:

Plastic polyamide

Style Designator:

Internally threaded full length

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08900
