Hole Diameter:

0.406 inches

Overall Length:

13.50 inches

Overall Height:

2.75 inches

Overall Width:

3.375 inches

End Application:

016011928

Hole Quantity:

4

Engaging Surface Thickness:

0.47 inches

Special Features:

Oem is de-sta-co, auburn hills, mi with part number 53810.

Material:

Steel

Style Designator:

Level

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
