Overall Length:

1.545 inches

Overall Height:

0.287 inches

Overall Width:

1.025 inches

Material Thickness:

0.055 inches

Mounting Hole Diameter:

0.130 inches

Distance Between Mounting Hole Centers:

1.250 inches

Product Name:

Retainer, nut, spline

Material:

Iron alloy 660

Material Specification:

Ams 5525 assn standard single material response

Surface Treatment:

Passivate

Style Designator:

Anchor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T319-a
