Mounting Hole Diameter:

0.575 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

Product Name:

Plate, nut-connector 21 shell

Special Features:

Do not chamfer, break or deburr edges of hole on entering side or clinch nut; surface may deform 0.05 maximum in area's of clinch nut

Surface Treatment:

Chemical

Shape:

Flat

Surface Treatment Specification:

Mil-c-5541, cl 3 military specification 1st treatment response or mil-h0bk-1516 military specification 1st treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
