End Application:

5410-01-592-9464

Product Name:

Bracket, aal door bottom, arctic assembly

Color:

Tan

Material:

Plastic and steel and aluminum alloy 5052

Material Specification:

Astm b209 assn standard 3rd material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
