**Width:**

2.00 inches

**End Application:**

Well deck sta

**End Type:**

Both plain

**Product Name:**

2inch x 300ft 12k polyester cargo webbing - black

**Special Features:**

Assy break strength is 12000 lbs. Web tensile strength is 12000 lbs. Length of webbing is 300 feet.

**Color:**

Black

**Material:**

Plastic polyester

**Material Specification:**

41820-10, ankra corporation mfr ref single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T372-b
