Width:

2.00 inches

End Application:

Well deck sta

End Type:

Both plain

Product Name:

2inch x 300ft 12k polyester cargo webbing - black

Special Features:

Assy break strength is 12000 lbs. Web tensile strength is 12000 lbs. Length of webbing is 300 feet.

Color:

Black

Material:

Plastic polyester

Material Specification:

41820-10, ankra corporation mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T372-b
