Mounting Hole Quantity:

8

End Application:

NSN4-94-001-6190

Product Name:

Toolbox bracket

Special Features:

Color gloss white

Surface Treatment:

Paint and plastic polyamide

Surface Treatment Specification:

Mil-prf-22750 federal specification single treatment response and fed-std-595 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-prf-22750 spec.
