### **Overall Diameter:**

0.56 inches

## **End Application:**

5410-01-592-9463, chem biological pro

# Design Type:

Threaded

### Product Name:

Cap, end tapped

#### Material:

Stainless steel

## Thread Size And Series/type Designator:

10-32 nf

### Shelf Life:

N/a

### Unit Of Measure:

--

#### Demilitarization:

No

### Fiig:

A539k0
