Overall Length:

115.0 inches

Mounting Hole Quantity:

4

Body Width:

72.0 inches

Center To Center Distance Between Mounting Holes Along Length:

55.0 inches

Performance Type:

Not rated

Pin Removability:

Nonremovable

Fixed Leaf Length:

74.0 inches

Pin Center To Jamb Leaf Edge Distance:

50.0 inches

Material And Location:

Plastic, polysulfone body and steel pin

Product Name:

Soft-close dampening hinge

Special Features:

Bracket and cap material is a dark grey pbt polypropylene plastic with a 304 stainless steel damper

Style Designator:

Tee

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25100
