Overall Length:

6.900 inches

End Application:

Cv-22b x hv-22b x mv-22b aircraft

Overall Diameter:

1.125 inches

Product Name:

Rod

Special Features:

Precipitation harden to 155-175 ksi per mil-h-6875 or bps4140

Material:

Stainless steel

Material Specification:

Ams5643, gr17-4ph cres or alt. Ams5862, gr15-5ph cres assn standard single material response

Supplementary Features:

PART-OF-:49-2001

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
