**Overall Length:**

46.000 inches

**First Leg Length:**

5.000 inches

**Second Leg Length:**

5.000 inches

**End Application:**

NSN4-94-001-6190

**First Leg Thickness:**

0.400 inches

**Second Leg Thickness:**

0.400 inches

**Hole Quantity:**

19

**Product Name:**

Generator slide, mounting angle, left side

**Material:**

Steel

**Material Specification:**

Asme a36 national specification single material response

**Style Designator:**

Angle

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A042a0
