End Application:

2330-01-303-8832

Product Name:

Bracket, weldment

Special Features:

Material is steel sheet, 8 ga (0.1644)

Material:

Steel comp 1011

Material Specification:

Per ast-1011 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
