Overall Length:

12.88 inches

Overall Height:

8.19 inches

Overall Width:

12.19 inches

Overall Thickness:

0.190 inches

End Application:

2350-01-432-1526

Product Name:

Rch stwoage

Special Features:

Footman loop must withstand 150lbs when pulled approximately perpendicular from its mounting surface.

Material:

Aluminum alloy 5083 or aluminum alloy 5086

Material Specification:

Per astm b 209 or astm b 928 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
