**Overall Width:**

0.680 inches

**End Application:**

C-5m, nha thrust, rev assembly, cf6; p/n 491f1200000-020

**Loop Inside Diameter:**

0.630 inches

**Product Name:**

Clamp

**Special Features:**

Cushioned; length 1.800 inches; height 0.750 inches; outside diameter 0.750

**Material:**

Steel comp 303 band

**Material Specification:**

Ams 5510 federal standard single material response band

**Surface Treatment:**

Passivate band

**Style Designator:**

Single loop

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A12700
