Overall Width:

0.680 inches

End Application:

C-5m, nha thrust, rev assembly, cf6; p/n 491f1200000-020

Loop Inside Diameter:

0.630 inches

Product Name:

Clamp

Special Features:

Cushioned; length 1.800 inches; height 0.750 inches; outside diameter 0.750

Material:

Steel comp 303 band

Material Specification:

Ams 5510 federal standard single material response band

Surface Treatment:

Passivate band

Style Designator:

Single loop

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12700
