Overall Length:

17.00 inches

Overall Height:

3.50 inches

Overall Width:

3.50 inches

End Application:

2350-01-564-6882

Product Name:

Skid, shipping

Special Features:

Top of runner is chamfered along length on both sides 0.50x0.50. Bottom of runner is chamfered along width on both ends 1.00x1.00.

There are two holes through 0.623 min/o, 631 maximum diameter located 1.69 min/1, 81 maximum from top of runner and 2.50 from each end along length.

Material:

Wood

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
