Width:

Between 10.47 inches and 10.53 inches

Thickness:

0.625 inches

Length:

Between 12.72 inches and 12.78 inches

End Application:

012521402

Product Name:

Plate, adapter panth

Material:

Aluminum alloy 6061

Material Specification:

Astm b209 assn standard 1st material response or astm b221 assn standard 2nd material response

Surface Treatment:

Paint

Shape:

Rectangular

Surface Treatment Specification:

Mil-dtl-5541 type ii, class 1a military standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-dtl-5541 spec.
