Width:

1.50 inches

Thickness:

0.19 inches

Length:

5.00 inches

Mounting Hole Diameter:

0.26 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Thru hole

End Application:

4910-01-539-6129; container, standard

Usage Design:

Storage container

Product Name:

Top I connection plate

Material:

Aluminum alloy 6061, type 6

Material Specification:

Astm b221 assn standard single material response

Shape:

Curved right

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
