Overall Length:

3.00 inches

Overall Width:

0.200 inches

Mounting Hole Diameter:

Between 0.45 inches and 0.74 inches

Mounting Hole Type:

Countersunk

End Application:

4910-01-539-6129; container, standard

Hole Quantity:

2

Product Name:

Frame gusset corner

Material:

Steel

Material Specification:

Astm a212 assn standard single material response

Style Designator:

Triangle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
