Hole Diameter:

0.265 inches

Overall Length:

2.500 inches

Overall Height:

0.500 inches

Overall Width:

2.000 inches

End Application:

4910-01-539-6129

Product Name:

Air vent door stop

Material:

Aluminum alloy 6061

Material Specification:

Astm b221 assn standard single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A53510
