Width:

1.5 inches

Thickness:

0.25 inches

Length:

2.45 inches

End Application:

57k6557; 19207

Cushioning Material:

Rubber, silicone, ams 3195

Mounting Method:

Adhesive

Product Name:

Pad idid, igcdp, icdu

Special Features:

Color is orange

Shape:

Horizontal rectangular

Specification Data:

Asme-ay14.100-2000 professional/industrial association specification and asme-y14.5m-1994 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T141-e
