**Cross Sectional Shape:**

Recess, same shape as the periphery

**Width:**

24.65 inches

**Edge Shape:**

Rectangle, no holes

**Length:**

25.69 inches

**End Application:**

4910-01-539-6129, container, standard

**Product Name:**

Plate assembly, top, tool rack frame

**Special Features:**

Contains: 1 each part number 06a8131009, plate, tool rack, 2 each part number: 06a8131010 drawer stop, 2 each part number ms35307-300 hex cap screw 1/4-20 x 1/2" s.S.

**Material:**

Aluminum alloy 6061, type 6

**Material Specification:**

6061-t6, iaw astm b209 assn standard all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531c0
