Diameter:

0.306 inches

Thickness:

0.031 inches

Machined Surface Finish:

Smooth

Product Name:

Disk, solid, plain

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 h32 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0
