Width:

Between 23.0 millimeters and 25.0 millimeters

Thickness:

0.3750 inches

Length:

Between 57.1 millimeters and 59.1 millimeters

Mounting Hole Diameter:

6.0 millimeters third hole

Mounting Hole Quantity:

3

Mounting Hole Type:

Thru hole and threaded

End Application:

6115-01-561-7788

Product Name:

Plate, nut

Special Features:

Plate has (2) mounting holes with m6x1 threading.

Color:

Green, 383

Material:

Steel

Material Specification:

Astm a1011, cs type b assn standard single material response

Surface Treatment:

Paint

Shape:

Flat and rectangular w/rounded corners

Surface Treatment Specification:

Mil-dtl-53072 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-dtl-53072 spec.
