**Overall Length:**

14.25 inches

**Overall Height:**

3.50 inches

**Overall Width:**

11.69 inches

**Mounting Hole Quantity:**

5

**Mounting Hole Type:**

Thru hole

**End Application:**

5855-01-616-2559

**Product Name:**

Dve bracket weldment

**Color:**

Tan

**Surface Treatment:**

Chromate and primer epoxy and carc (chemical agent resistant coating)

**Surface Treatment Specification:**

Mil-std-5541f, class 1a military specification 1st treatment response and mil-prf-23377, type 2, class n military specification 2nd treatment response and mil-dtl-53072c military specification 3rd treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0

**Mil-std (military Standard):**

Mil-std-5541f spec.
