Overall Length:

14.25 inches

Overall Height:

3.50 inches

Overall Width:

11.69 inches

Mounting Hole Quantity:

5

Mounting Hole Type:

Thru hole

End Application:

5855-01-616-2559

Product Name:

Dve bracket weldment

Color:

Tan

Surface Treatment:

Chromate and primer epoxy and carc (chemical agent resistant coating)

Surface Treatment Specification:

Mil-std-5541f, class 1a military specification 1st treatment response and mil-prf-23377, type 2, class n military specification 2nd treatment response and mil-dtl-53072c military specification 3rd treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-std-5541f spec.
