Width:

0.75 inches

Thickness:

0.048 inches

Product Name:

316 stainless steel coated band

Special Features:

Has ppa 571 coating. The average breaking strength is 1000 pounds. There are 82.5 feet per roll.

Material:

Steel comp 316

Shape:

Flat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
