End Application:

Nuc equipment

Design Type:

Threaded

Connector Thread Size For Which Designed:

0.5625 inches

Product Name:

Shipping cap/plug

Special Features:

Color optional, brightly colored

Material:

Plastic polyethylene

Material Specification:

Mil-std-767, para 5.6 military standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539I0

Mil-std (military Standard):

Mil-std-767 spec.
