Width:

69.0 millimeters

Length:

65.0 millimeters

Action Type:

Spring

Operating Mechanism Location:

One side

Product Name:

R4-em electronic rotary latch

Special Features:

With microswitch; without connector; m6 threaded mounting; electronic actuator; 12-24 vdc operating voltage; microswitch rating 3 amps at 12 vdc max

Height:

18.4 millimeters

Material:

Steel pin

Surface Treatment:

Zinc pin

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10600
