Hole Diameter:

0.438 inches

Overall Height:

3.875 inches

Outside/top Flange Diameter:

4.438 inches

Product Name:

Corner upper bumper

Material:

Rubber

Material Specification:

Mil-spec3065 military specification single material response

Style Designator:

Round top

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A53510

Mil-std (military Standard):

spec.
