**Overall Length:**

0.620 inches

**Overall Width:**

0.570 inches

**Design Type:**

Friction and molded

**Product Name:**

Rj45 ethernet jack protective cap

**Special Features:**

The material is conductive polyethylene copolymer and is black in color. The outside measurement of the male insert is 0.435 x 0.270.

**Material:**

Plastic polyethylene

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A539k0
