Dust And Moisture Seal Protective Cap - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-632-9579

Overall Length:
0.620 inches
Overall Width:
0.570 inches
Design Type:
Friction and molded
Product Name:
Rj45 ethernet jack protective cap
Special Features:
The material is conductive polyethylene copolymer and is black in color. The outside measurement of the male insert is 0.435 x 0.270.
Material:
Plastic polyethylene
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
Fiig:
A539k0
