Overall Length:

0.620 inches

Overall Width:

0.570 inches

Design Type:

Friction and molded

Product Name:

Rj45 ethernet jack protective cap

Special Features:

The material is conductive polyethylene copolymer and is black in color. The outside measurement of the male insert is 0.435 x 0.270.

Material:

Plastic polyethylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539k0
