Overall Length:

3.750 inches

Overall Height:

3.190 inches

Overall Width:

2.500 inches

Mounting Hole Diameter:

Between 0.790 inches and 0.823 inches

Mounting Hole Quantity:

2

Mounting Hole Type:

Thru hole

Overall Thickness:

0.560 inches

End Application:

Ballistic door, cvn 78 class aircraft carrier

Product Name:

Pad, hinge

Material:

Steel

Material Specification:

Astm a688-03, cl d assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
