Overall Length:

15.750 inches

End Application:

Door, dbl, ballistic

Mounting Facility Quantity:

1

Mounting Method:

Unthreaded stud

Mounting Facility Diameter:

1.320 inches

Product Name:

Handle, extension

Material:

Aluminum alloy

Material Specification:

Astm-b221, alloy-5456 assn standard single material response

Style Designator:

Telescopic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A250a0
