Diameter:

0.625 inches

Length:

1.080 inches

End Application:

Door, sliding

Product Name:

Ball-nose spring plunger

Special Features:

Thread size is 0.625-11; extended nose force is 7.0 lbs, and compressed nose force is 50.0 lbs

Material:

Steel comp 316

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T378-a
