Overall Height:

38.0 millimeters

Mounting Hole Diameter:

4.0 millimeters

Mounting Hole Quantity:

2

End Application:

5419-01-539-7178

Overall Length From Mounting Surface:

44.3 millimeters

Product Name:

Swing hook (w/friction)

Special Features:

Hook swings to either side 90.0 degrees as needed; mounting screws included

Material:

Steel comp 304

Material Specification:

Aisi 304 assn standard 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T319-g
