Overall Height:
38.0 millimeters
Mounting Hole Diameter:
4.0 millimeters
Mounting Hole Quantity:
2
End Application:
5419-01-539-7178
Overall Length From Mounting Surface:
44.3 millimeters
Product Name:
Swing hook (w/friction)
Special Features:
Hook swings to either side 90.0 degrees as needed; mounting screws included
Material:
Steel comp 304
Material Specification:
Aisi 304 assn standard 1st material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T319-g
