Overall Height:

3.19 inches

Overall Width:

25.75 inches

Second Leg Length:

2.81 inches

End Application:

2320-01-534-1117

First Leg Thickness:

0.1875 inches

Second Leg Thickness:

0.1875 inches

Second Leg Style:

Square

Second Leg Relationship To First Leg:

Not identical

First Leg Angle:

90.0 degrees

Product Name:

Brkt, air tank, rr

Special Features:

Angle bracket with 10 holes on one leg, other leg will have no holes with 45 degree angled corners

Material:

Steel

Material Specification:

Astm a36 assn standard single material response

Style Designator:

Angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
