**Overall Height:**

3.19 inches

**Overall Width:**

25.75 inches

**Second Leg Length:**

2.81 inches

**End Application:**

2320-01-534-1117

**First Leg Thickness:**

0.1875 inches

**Second Leg Thickness:**

0.1875 inches

**Second Leg Style:**

Square

**Second Leg Relationship To First Leg:**

Not identical

**First Leg Angle:**

90.0 degrees

**Product Name:**

Brkt, air tank, rr

**Special Features:**

Angle bracket with 10 holes on one leg, other leg will have no holes with 45 degree angled corners

**Material:**

Steel

**Material Specification:**

Astm a36 assn standard single material response

**Style Designator:**

Angle

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
