## Overall Height:

3.19 inches

Overall Width:
25.75 inches

Second Leg Length:
2.81 inches

End Application:
2320-01-534-1117
First Leg Thickness:
0.1875 inches

Second Leg Thickness:
0.1875 inches

Second Leg Style:
Square

## Second Leg Relationship To First Leg:

Not identical
First Leg Angle:
90.0 degrees

## Product Name:

Brkt, air tank, rr

## Special Features:

Angle bracket with 10 holes on one leg, other leg will have no holes with 45 degree angled corners

## Material:

Steel
Material Specification:
Astm a36 assn standard single material response
Style Designator:
Angle
Shelf Life:
N/a
Unit Of Measure:

## Demilitarization:

No
Fiig:
A042a0
